

## Iridium Data Services

Rock Seven Mobile Services is an Iridium Value Added Reseller, specialising in Short Burst Data (SBD) and other Iridium data products.

With extensive experience across the whole spectrum of SBD applications, we can tailor SBD contract/data/processing packages to suit your needs.

### Our key differentiators:

- ⦿ Contracts can be activated/deactivated whenever required
- ⦿ Activations can be done immediately through our online web portal
- ⦿ Online billing
- ⦿ Only pay for the months (or part-months) where you have devices activated
- ⦿ Competitive data rates
- ⦿ Negotiable discounts on contract rates for 25+ contracts

### Value added services we can offer:

- ⦿ Data processing and storage of data\*
- ⦿ Full back-end mapping/management software for tracking-related applications
- ⦿ Electronic billing and bill searching

### Standard Rates for SBD (all prices subject to VAT):

One-Off Setup Fee	£20.00 per device
SBD Contract	£14.00 per device per month**
Data Cost	£1.00 per 1,000 bytes***
Activation/De-Activation Fee	£ FREE

Monthly Back-End Interface	£20.00 per device
Data Processing and Storage	£10.00 per device per month

### Why choose us?

Iridium data products are our main focus, we are not an Iridium satellite phone reseller which has simply added SBD to a product portfolio. We are also flexible in our approach and very happy to give advice and assistance where needed – call us today for more information!

\* subject to data format being agreed and interpreter written on our side

\*\* Full monthly charge applies for any whole or part month where the contract is active

\*\*\* Minimum charge is for 30 byte transmission for any data or mailbox check
